spread the

Peanut Butter & Jelly Food Drive

Hunger occurs in every county in America.

Many children depend on school meals as their primary source of food. With the school year ending soon, these kids face the uncertainty of where their next meal will come from. We are asking for your help to ensure no child goes hungry over summer break.

Children facing hunger are more likely to experience certain health conditions like asthma; impairments in development like language and motor skills; and social and behavioral challenges. Food insecurity can fuel food-related anxiety and disorder behaviors such as skipping meals and bingeing.

*Collect & drop off or mail unopened jars of peanut butter and jelly at your work location or at the Union Hall at 1130 E Epler Avenue Indianapolis, IN 46227 now through **Friday, June 7th**.*

Ways to participate from home:
